NetApp Training Offerings

Fast Lane is the only global NetApp Learning Partner. We offer the full NetApp curriculum in more than 50 countries and 12 languages. All our instructors are NetApp-certified specialists with extensive practical experience in the storage environment.

NetApp Training Units

NetApp Training Units (TUs) are accepted as payment for all Fast Lane delivered NetApp courses. Simply quote your NetApp PO number when registering for a course. One day of training requires 12 TUs per student.

Customized Training right on site

Our storage specialists relish the challenge of adapting training to suit your needs. We can even conduct all NetApp training at your company's location.

NetApp Storage & Data Center Labs

NetApp training extends far beyond mere classroom theory, affording every course participant opportunities to gain hands-on experience installing, configuring, and troubleshooting these systems. Fast Lane offers you unique lab environments for NetApp storage solutions. Learn more about our NetApp labs: www.flane.de/en/courses/netapp
